NETWORKING AFTER HOURS!

The next MIX NETWORKING EVENT is May 24th!

The Mix! An Anoka Area Chamber Business After Hours Event is a great networking opportunity for Anoka Area Chamber Members!

The next Mix event will be held on Tuesday, May 24th in the Empire Room at 10k Brewing in downtown Anoka.

The Mix is being sponsored by Jessi Gurr and the crew at Iceberg Web Design! The event will run from 4:00 to 6:00 pm. There is NO COST TO ATTEND and those that do will have a chance to win some gift cards that will be given away at the event!

Great networking at an even better price!!! Don't miss this one! Your chance to tell all about the products and services you have to offer. Will you meet your next client at the event? NO RSVP needed, just stop in the day of the event and let the networking begin!

The Mix is Sponsored by:

MEMBERSHIP IN THE CHAMBER COMES WITH BENEFITS!

**This Anoka Area Chamber Member Benefit
GETS YOU THE LIST!**

This month's benefit is: The Business List.

As a member, you can request the member business list. The list is available in a variety of ways. We can print the lists for you, email them to you in a number of different formats. We'll supply you the email addresses of members that we have in our files. We'll even print mailing labels for you at no cost.

If you are interested in receiving the list, just call the Chamber office and talk to Tami Flygare.

For more information about this benefit or any other benefits of membership in the Chamber, call 763.421.7130.

The Anoka Area Chamber of Commerce is a business organization made up of and ran by business people. Our goal is a simple one, do the best job to help promote and better our business members. There are many benefits of membership available only to members of the Anoka Area Chamber of Commerce. Each month we'll highlight one of the benefits. If you'd like to learn about all benefits available, attend a Member Orientation Meeting held each month on the 2nd Thursday from 8 to 9 AM at the Chamber office. The meeting is free. RSVP to 763.421.7130 or mail@anokaareachamber.com.

Chairperson's Letter

Good day Chamber members! Can you believe it is already June? After an April of weather that I would like to forget May brought back seasonally appropriate weather and not a moment too soon! For me this last month has been a return to baseball and soccer fields coaching and parenting teenagers. Oh to be young again with a new season in front of us, or to be graduating and embracing the changes that come with increased opportunities, responsibilities and freedoms!

Speaking of youth and opportunities I had the opportunity to meet with a group of seniors and their teacher, Doug Orr, from the DECA program at Anoka Senior High School. Joining me were Chamber President, Peter Turok and fellow Chamber Board Director, Anna Dailey. This meeting was related to the Chamber's Strategy to Action Plan in which we decided to review how the Chamber connects with younger generations and how we can better engage these groups. We learned a lot from these young adults. For example, contrary to certain assumptions about teenagers that I believe are widespread today, these students appreciated us coming to their classroom and making a face-to-face connection with them. They suggested that in person meetings create the groundwork for an effective relationship with our social media efforts. From this meeting the Chamber plans will create an Outreach Group that will visit area schools to speak with business classes and DECA programs to introduce the Chamber and educate them to our mission. Thank you to everyone that was able to participate in this meeting!

Now that the warm weather is back that can only mean two things; Anoka Riverfest and the 34th Annual Anoka Area Chamber Golf Tournament!

Riverfest is set for Saturday, July 9th in beautiful Historic Downtown Anoka. Come join the gathering of one of the Twin Cities largest craft fairs and all the amazing culinary opportunities that will be available.

And last but certainly not least; the return of the Annual Anoka Chamber Golf Tournament to the month of July! After a few years of being moved to September due to the pandemic we are back to our normal late July date. In this newsletter you will find the event flyer which will also be mailed to our membership. A BIG THANK YOU to Killebrew Root Beer as they have graciously offered to be our Title Sponsor of the tournament once again. This is one of my favorite days of the summer, great networking, a lot of fun and fundraising! There are many sponsorships available and many golfing slots so get your foursome together and get registered! This tournament fills quickly, please don't wait and don't hesitate to contact the Chamber ASAP! We will be offering an online auction for this event so please send those donations and we will make sure everyone knows you donated, and you'll be helping the Chamber continue its mission of promoting membership and our member cities! I look forward to seeing you on the course!

Spotlight on Dayton

City Offices: 763-427-4589
Police: Non-Emergency: 763-427-2017
Public Works: 763-427-3224
Activity Center: 763-428-4692
Website: cityofdaytonmn.com

The City of Dayton is located in the northwest corner of Hennepin County, with a small portion of the City positioned on the eastern side of Wright County.

Dayton is a growing community with a population of approximately 7,262. Dayton's northern boundary is the Mississippi River, and the Crow River is on the western edge of the City.

The City of Dayton has a range of community resources and facilities to serve the public. City Hall is located at 12260 South Diamond Lake Road, providing offices for Administration and meeting space for the City Council and Commissions.

The Police and Public Works Departments are both located at 13700 Zanzibar Lane North. The Public Works Department is responsible for snow removal, street repair, parks and building maintenance, as well as water and sewer services.

The Dayton Police Department is a full-service department, which includes a Chief, a Sergeant, six full-time Officers, a CSO, and two full-time Administrative Assistants. The Department also has a Police Reserve program with volunteer members. The Department provides a number of community services such as Neighborhood Watch, National Night Out, and Operation Identification.

Dayton has a volunteer Fire Department with two stations, an Interim Fire Chief/Assistant Fire Chief and 24 volunteer Firefighters. Fire Station 1 is located in the Historic Village at 18461 Dayton Street (connected to the Activity Center), and Fire Station 2 is located at 12260 South Diamond Lake Road (connected to City Hall).

The Dayton Activity Center is staffed with one full-time Activity Center Coordinator and hosts a variety of events and recreational programming for people of all ages. Fitness classes, holiday events, and the Friday Film Series are a few of the activities currently offered.

Dayton is included within three school districts; Anoka-Hennepin District 11, Elk River School District 728 and Osseo School District 279. Currently, Dayton Elementary School is the only public school located in the City, and is part of Anoka-Hennepin District 11; educating students from Kindergarten through 5th grade.

Dayton is proud of its many commercial and industrial businesses, many of which are located along the junction of Hennepin County highways 81 and 101. The City is committed to continuing to attract economically and environmentally sound commercial development.

Over 4,000 acres of Elm Creek Regional Park are located in Dayton. Elm Creek Park provides hiking, horseback riding, cross country skiing, biking, snowmobile trails, a nature center, playground and picnic area, and a swimming pond. The City also owns and maintains a number of municipal parks.

The Elsie Stephens Farm property (located along County Road 12/Dayton River Road) has been significantly converted to a City park and public gathering place. The property consists of 21 acres adjacent to the Mississippi River, and connects to Dayton's Cloquet Overlook Park, which overlooks Cloquet Island on the Mississippi. An underpass connecting the River Hills neighborhood with Elsie Stephens Park was completed in 2020, allowing safe and convenient pedestrian and bike access to this scenic location.

The City of Dayton has completed and submitted its 2040 Comprehensive Plan, which provides a foundation for development (and redevelopment) of the City in the next 20+ years. Dayton has planned for a community/region-wide transportation system and has identified connections between transportation, transit, pedestrian/bicycle facilities, and land uses.

In November 2021, the City of Dayton (along with several partners) celebrated the opening of the Dayton Parkway Interchange at Interstate 94 near Holly Lane. The location of the Interchange is surrounded by some of the fastest growing communities in Minnesota, along the fastest growing corridor in the state, and on one of the busiest freeways. The opening of the Interchange has improved access to I-94 for emergency vehicles, and has created temporary construction jobs and the potential for hundreds of permanent jobs in the area. The addition of the Dayton Parkway Interchange is expected to generate millions of dollars in new sales, property and income tax revenue.

Dayton is governed by its City Council, consisting of a Mayor and four Council Members. The City Council meets at City Hall on the second and fourth Tuesday each month at 6:30 p.m. for the regular Council meeting. City has three advisory commissions to assist Council in the decision-making process. The Parks Commission, Planning Commission and EDA each meet once per month.

The "Dayton Communicator" is the City's official newsletter, which is currently published six times per year. To keep the residents informed of the activities within the City Council, meeting minutes and agenda packets can be found at www.cityofdaytonmn.com. Announcements, events and many resources can also be found on the City's web page.

Abilities Ahead

Incorporating people with disabilities into the workforce

Finding success at Caribou

Grace, who has been served by Opportunity Partners for nearly two years, has made strides in her community employment. She has previously volunteered, been a cashier and most recently worked with infants and toddlers at a child care center. With the help of her OP Employment Specialist Ashton, Grace has found a new job she loves at Caribou.

She enjoys working the drive-through and making drinks, and she has formed great bonds with her coworkers and regular customers. Grace's career has allowed her more independence and helped her grow.

While she loves taking orders and whipping up "pup cups" at Caribou, what Grace is really passionate about is helping others with disabilities. She's working with Ashton to get her driver's license so that she can someday have a career helping people with disabilities with their daily routines.

"I have a disability myself but I'm very high functioning with my autism so I want to impact other people's lives . . . I really just care about people and I just want to help."

Ashton noted that Grace is a determined and confident advocate for herself and others, and she cares greatly about her coworkers and customers. "I really enjoy working with Grace, I admire her ambition and her determination and it's just been really enjoyable and fun to help her to set these goals and be able to take each step towards them," said Ashton.

Opportunity Partners supports more than 100 people with disabilities working in community jobs. We offer short-term or long-term coaching as needed to help people be as independent as possible.

Opportunity Partners is a local nonprofit advancing the quality of life for people with disabilities through employment, residential and community support. Learn how your business can partner with us at opportunities.org or email partner@opportunities.org.

WomenVenture is SBA's 2022 Minnesota Women's Business Center of the Year

Friday, April 15, 2022

The U.S. Small Business Administration has named WomenVenture the 2022 Minnesota Women's Business Center of the Year. In recognition of National Small Business Week, SBA's Minnesota District will recognize its 2022 state winners at local events in the weeks ahead.

WomenVenture was chosen for its excellence and innovation in training, counseling culturally and economically diverse women entrepreneurs, and serving as a community champion for women-owned small businesses.

"WomenVenture's support of entrepreneurs through the SBA's Women's Business Center Program is just one small part of the overall picture of how they help women create good businesses and good jobs," said SBA Minnesota District Director Brian McDonald. "We are thrilled to be able to support their efforts and to honor them with this award."

WomenVenture WBC equips women with the skills and resources to create and grow profitable and sustainable businesses through business training programs, access to small business loans, business mentorship, networking opportunities, and one-on-one business advice to entrepreneurs from startups to multi-million-dollar businesses.

In addition to being recognized for excellence in Minnesota, WomenVenture was also chosen as the 2022 SBA Great Lakes Region's Women's Business Center of the Year.

"CHANGES"

We have all been getting pretty good at changes. The pandemic has made sure of that. Changes have always been in play in business but I swear nothing like the last couple of years. We have all had to look at our businesses like never before. We've had to make changes where they were needed but changes came and

we moved on. Changes happen all the time in business and here at the Anoka Area Chamber of Commerce. This old dog deals with changes as they come up and do the best I can. That doesn't mean I don't go kicking and screaming sometimes! One change that is coming to the Anoka Area Chamber is the member newsletter. This will be the last edition with the look you are used to seeing. We'll be coming out with an updated and more virtual viewing friendly look next month. When I think about the member newsletter, I go back to my beginnings here at the Chamber. I used to have a drafting table in the back closet. I'd head there once a month to do the layout of the newsletter. I used rub off letters to do the headlines and then print out the article and glue it into place. Man those glue fumes would get to a guy. To say we've come a long way since then is an understatement. Prior to covid, we gave the members an option of us mailing a printed version of the newsletter or a virtual one. At that time over 70% were virtual and when

COVID hit, we made the move to all virtual. It is time for a new look newsletter and it's on it's way. Oh I'll have my struggles with the change but then that is the norm when it comes to business. We all have to make changes and deal with them. For now, pray for me on this one as this old dog will be learning new tricks! Now, for you "I like to hold paper in my hands" people, we have some great news! The Chamber's Board of Directors recently discussed how we connect with the membership. The newsletter is one way, the Monday Morning Email is another. They wanted to add to that and that will be happening in the near future as we'll be rolling out a printed piece, kind of like a mini newsletter that will come out various times throughout the year. The layout is in the planning stages right now but I know it will be filled with information you will want to have. More changes but changes that are good and needed!!
